Grateful to have served!

The LORD himself goes before you and will be with you; he will never leave you nor forsake you. Do not be afraid; do not be discouraged.” Deuteronomy 31:8

Dear Friends,

My time serving you is coming to a close. I want you to know how blessed I feel to have been convinced in early 2022 by Shirley Jenssen and Glenn Umphrey that I should come out of my retirement and serve as your part-time pastor. It was suggested that I consider serving for at least three or four years, and, well, here we are! You have been so gracious and understanding as I have dealt with health issues, loss of family members, and the challenges of commuting to work from Elmore.

Through a lot of prayer, we have worked together at our Placerville retreats and in Council to follow what God is calling us to do. We also did a lot of listening. And, we had the commitment to follow the path revealed. We have also identified and utilized the unique spiritual gifts that God has provided. I pray we continue following God’s path and utilizing our unique individual gifts for the work of this church.

Deuteronomy 31 is a model in the Bible for transition of leadership. It helps us understand that Moses led God’s people for 40 years to the edge of the promised land. God then instructed Moses to appoint Joshua as his successor. He was to finish leading the people - crossing the Jordan and beginning the conquest into the Promised Land. A different time and a different challenge required a different leader.

So, what does this point in time require for qualities you need in a new pastor? You have a vision of becoming a vibrant church for people of all ages. How will you accomplish this?

Thank you all for your support of my time leading you. You have been a blessing to both me and Holly. Know we will remain in this church, and are looking forward to doing ministry in a different way. We will be traveling quite a bit, and just know I'll need to fade into the background when a new pastor is appointed.

May God Bless this church!

Pastor Randy
